Big Show Spectacular – February 12

Top international and local performers star in a free show for the public. Hosted by young comedians Thura Thein and Jo Ker, the Big Show Spectacular will feature thrilling, dangerous and spellbinding acts never seen before in Yangon.

Everyone needs to have Fun

Day of Fun - February 14

Entertainment, Juggling Olympics, children's shows, juggling and community workshops, interactive theatre, walkabout acts and public participation games in an unforgettable day of fun and games at Mahabandoola Park, capped off by a fire show finale at 6pm.

Community juggling programme

Juggling helps children develop concentration, balance, coordination and confidence. Workshops in the lead-up to the festival encourage teamwork, cooperation, and build trust between participants. We encourage peer-to-peer teaching and skill sharing. Creating performances develops creativity and imagination.
