## circus4all Yangon - Statement

Dear world

We are the new thing!

circus4all Yangon was formed on Thursday 21 May 2015, one hour after we performed our first show at the Eden Centre for Disabled Children in Yangon.

We are eleven Myanmar people of mixed abilities who have discovered our love of performing.

We care and share and are committed to supporting each other and anyone else who would like to learn circus arts with us. Everyone is welcome. We will train and practice and nurture our network.

We plan to perform once a month and are looking for opportunities to do so.

If you or your organisation would like SOMETHING DIFFERENT for some exciting and amazing entertainment with a strong social core, please get in touch with us.

We have a package to offer you: a fun 30-minute show, a photo exhibition and a workshop on inclusion circus.

Our goal is to participate in and contribute to the movement for education, social and cultural development in Myanmar through giving presentations and workshops at conferences, meetings and events.

The founder members of circus4all Yangon have just completed a week of teacher training with adaptive circus specialist Thomas Hinz. Thomas was brought to Yangon by the Serious Fun Committee, which organised the first International Juggling Festival here in February.

Thanks to our organisations, Eden Centre for Disabled Children, Shwe Min Thar Foundation, Myanmar Independent Living Initiative, Aye Myitta Center and Linkage.
